## PROFILE

As an aspiring architect in a constantly evolving industry, I see it as imperative to be malleable and flexible. I am continually striving to improve my skill set and adaptability to change. I have an insatiable hunger for knowledge and devotion to learning and self improvement.

## SOFT SKILLS

-  Time management and task prioritisation. Working under pressure to a deadline is a skill I have cultivated during my studies.
-  I thrive in collaborating in a tight team environment to advance towards a common goal. The collective effort of a team will far outweigh the success of a lone individual.
-  Confident in my ability to communicate via written, verbal and visual means.
-  I see it as vital to be continuously improving my skillset. I am young, open minded and open to innovative solutions

## PERSONAL ACHIEVEMENTS

- 6.1 GPA
- 2016 RSL design competition finalist, Australians of Indian Heritage War Memorial
- 2016 Academic Excellence
- 2017 Work featured in Beudesert "Innovation and Sustainable Living" exhibition
- Member of Golden Key Program
